**Parentsactive is the parent carer forum for Hammersmith and Fulham.**

We run coffee mornings, information, and training sessions to support and empower parents. We also connect with the local authority, education, and health services to improve provision.

We welcome all parents and carers of children and young people with a special educational need and/or disability aged 0-25 years (who have a connection to Hammersmith and Fulham) to join our group.

We also have a Post 19 Coproduction Coordinator who organises sessions once a month for parent carers of adult children (post 19).

Membership is free; get the Zoom and Teams links for our sessions, keep up to date with events and receive our newsletter by signing up to our members list.
